DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the specification:

Please replace the paragraph beginning on page 1, line 3 with the following paragraph:

The present application is a division of U.S. Serial No. 10/414,950 filed April 15, 2003, now U.S. 7,001,356, which is a division of U.S. Serial No. 09/918,749 filed July 31, 2001, now U.S. 6,579,255.

In the claims:

On line 6 of claim 3, please insert --a-- in between "adjusting" and "maximum".

On line 10 of claim 3, please insert --the-- in between "adjusting" and "maximum".

On line 2 of claim 5, please insert --irrigation—in between "determining" and "fluid".

On line 6 of claim 29, please insert --a-- in between "adjusting" and "maximum".

On line 8 of claim 29, please insert --the-- in between "adjusting" and "maximum".

On line 4 of claim 32, please insert --a-- in between "adjusting" and "maximum".

On line 5 of claim 32, please insert --the-- in between "adjusting" and "maximum".

The following is an examiner's statement of reasons for allowance: The prior art made of record did not disclose or render obvious a method for controlling fluid flow during ophthalmic surgery comprising the steps of determining irrigation fluid pressure and continuously adjusting a maximum vacuum setting based on the continuous determination of irrigation fluid pressure. The closest prior art, namely Armeniades '984 and Armeniades '205, does not disclose determining irrigation fluid pressure, but instead discloses measuring intraocular pressure. Therefore, the references cannot teach continuously adjusting a maximum vacuum setting based on an irrigation fluid pressure.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to THEODORE J. STIGELL whose telephone number is (571)272-8759. The examiner can normally be reached on M-F 8:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Nicholas Lucchesi can be reached on 571-272-4977. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
